CAPCOM
CAPCOM THE BEYOND BORDERS

**In the name of destiny, they continue
their fight. That glimmer in
their eyes; is it the glow of victory
or the brutal ember of defeat?**

Their eternal quest Victory in their own

long awaited

STREET FIGHTER II Champion Edition

It has already been a year since STREET FIGHTER II hit the streets and enthusiasm for the game continues to grow unchecked. Now we are proud to announce STREET FIGHTER II Champion Edition with all new features and a new image to push beyond our ardent fans already high expectations.

This is Street Fighter II CE

- 1.** The four characters, Bison, Balrog, Sagat and Vega, who were previously only computer controlled, may now be used as player characters.
- 2.** Both players may select the same player character. (i.e. Guile vs. Guile)
- 3.** Most graphics, including background and figures, have been enhanced.

is
eyes.

Spain Vega

Nicknamed "The Spanish Ninja," he is the quickest contestant in the round up. He is also known for his odd obsession with the aesthetic aspects of the fight. For him, the fight is truly leveled when elegantly winning and losing, he is not completely satisfied unless he wins with grace and beauty. To Balrog, the fight is just another aspect in his pursuit of aesthetic perfection.

Sure-killing-technique

- *Juste-temps Attack* - A rushing attack with unbelievable speed
- *Iron Drop* - A ninja master's most devastating technique
- *Killing Crystal Flash* - Penetrates even iron

Who v

U.S.A. Balrog

He came to Las Vegas to realize his version of the "American Dream." Since then, he has defeated all challengers in the boxing ring. Though he is already top of the heap, he is still pushing himself, looking for the ultimate fight.

Sure-killing-technique

- *Turning Punch* - Double strength rolling attack
- *Dashing Straight Punch & Dashing Upper Cut* - Render defense useless

Thailand Sagat

Though he was once defeated by Ryu's Dragon Punch, this former champion came back to regain his former exalted status.

Sure-killing-technique

- *Mystical Tiger*
- *Grand Mystical Tiger* — A mystical tiger rushing all over the world
- *Tiger Upper Cut* — Thai style Dragon Punch

Will triumph?

Secret Society of Shadlue Bison

The mysterious ruler of the Shadlue, he manipulates events to his own questionable ends. No one really knows what his master plan includes but every suspect that he does not have his fellow ruler's best interest in mind. He seems to have accepted the order of a number of heinous criminal acts. However, his organization is also suspected of being responsible for working various catastrophes around the globe making him truly the most enigmatic character to ever reign as Street Fighter Champion. His versatility as a fighter is nearly super-human. What is his purpose? What does he hope to achieve?

Sure-killing-technique

- *Psycho Crusher* — Burns his opponents with some sort of mystical aura
- *Head Press*
- *Double Knee Jerk* — Terrifying repeating attack
